**Claims Notice**

Any persons who believe that they have a valid claim in relation to the above-mentioned assets or the entities which own/ed them (including, though not limited to, (i) claims from persons who believe they are the lawful owners of any above-mentioned entities or assets or part thereof or their valid successors, or (ii) claims from creditors) should file such claim, together with full explanations and all supporting documentation with the KTA Regional Office, without delay. The KTA-appointed Liquidation Committee(s) will analyze claims filed and the associated supporting documents in order to determine to whom payments from the sales proceeds should be made in accordance with Applicable Law. It should be noted that, pursuant to Applicable Law, it is likely that 20% of the sale proceeds will first be paid to eligible workers, followed by land ownership and secured claims, then unsecured creditors, and then owners of the entities where the entities are determined to have been transformed in accordance with Applicable Law and in a non-discriminatory manner.

The KTA will not adjudicate claims as a quasi-judicial or administrative body; therefore filing a claim with the KTA, which the KTA strongly encourages potential claimants to do, does not prevent a potential claimant from also filing a claim with the Special Chamber of the Supreme Court of Kosovo, nor from judicially contesting any KTA decision in an appropriate court.

For claim forms and details of how to file a claim, see [www.kta-kosovo.org](http://www.kta-kosovo.org) – “How to register a claim” or collect forms from any KTA office. Claims may also be filed at the EU Pillar office in Belgrade whose address is EU Pillar IV Belgrade Office, Tolstojeva 47-49, 11000 Beograd, Serbia. Relevant UNMIK Regulations are linked from the KTA website above.
